Long Distance Footpath Walks		
These walks are in easy stages, normally on the first and third Wednesday of each month. Unless otherwise indicated lunch is at a pub where food is available near the middle of the walk.		
In this quarter we will walk 6 sections of the London Loop, in an anti-clockwise direction, starting at Kingston and ending at Old Bexley. Sections are based on those defined by Inner London Ramblers at https://tinyurl.com/28497dns		
If you haven't been on any of these walks recently please contact one of the organisers a few days before hand in case any changes have been made and to confirm the travel arrangements.
