	Long Distance Footpath Walks	
These walks are in easy stages, normally on the first and third Wednesday of each month. Unless otherwise indicated lunch is at a pub where food is available.		
After cancelling the first walk in this quarter due to absence we are beginning the Tandridge Border Path in a clockwise direction starting in Hurst Green and finishing in Oxted which will take as far as Whyteleafe in this quarter leaving a couple of sections to complete the path next year.		
If you haven't been on any of these walks recently please contact one of the organisers a few days before hand in case any changes have been made and to confirm the travel arrangements. Times given are for the meeting place. Numbers may have to be limited due to transport and lunch arrangements Brian 07506 361047 or Bryan 01883 342439 / 07947 662877 Email: Linears@eastsurreywalkers.org.uk
